

AUTUMN
I

Year 3

Newsletter

What we have been up to:

In Year 3 we have been.....

getting used to having lockers in the classroom and organising ourselves in the mornings.

We had a brilliant 'Mad Science' assembly on Tuesday.

We have started learning about the Tudors.

We are extending our descriptive writing by looking at the characters in Dinosaur Drip.

Core Curriculum:

English

We will be reading 'Dinosaur Drip' and developing descriptions of characters and settings from this story. We will also have fun reading and performing poetry.

Maths

It is important for children to develop fluency with numbers so that they are really secure in their understanding.

We will look at place value and addition and subtraction, extending their knowledge and understanding by solving real life problems. They will also work on challenges to encourage development of knowledge and understanding in maths skills.

Science

Light is the subject we will be investigating in science. We will look at reflection and find out about light sources.

Other areas of the Curriculum:

Computing

Our computing lessons will be concerned with the children learning about e-safety to help them understand the importance of staying safe online.

PE

Children will be focusing on multi-skills and dance this half term.

PSHCE

Will involve children looking at 'Myself and my Relationships.'

Topic

Our topic is Tudors and we will study timelines of the kings and queens as well as day to day life of ordinary people.

'History off the Page' will be coming in for our WOW day.

Values

The value for September is 'Respect.'

Reminders/Key dates:

Autumn term

4 September - 19 December

Half term

22 October - 26 October

Training Day

19 October

School photos

27 September

Macmillan Coffee Morning

28 September

In the dining hall - 9:00am - 10:15am
