A. PURPOSE

We believe that all our students should have an equal opportunity to benefit from school activities and visits (curricular and extra-curricular) independent of their parents' financial means. This charging and remission policy describes how we will do our best to ensure a good range of visits and activities is offered, and at the same time, try to minimise the financial barriers which may prevent some students taking full advantage of the opportunities.

Castle Newnham School and its Governing Body are committed to ensuring consistency of treatment and fairness, and will abide by all relevant equality legislation.
